

YOUTH EDITION

People in churches should always get along because they love God and they love each other. Sometimes there are people in churches who disobey God and have problems with other people in the church.

Paul learned about the problems in the church in Corinth from the family of a woman named Chloe. The church members were very divided so Paul writes to tell them that they need to get along with one another.

Paul started the church in Corinth and Apollos and Cephas (also know as Peter) were important to the people of the church. Some of the people wanted to follow one man or the other. Paul writes to tell them that they need to follow Christ and not any man.

Paul was happy that he did not baptise many of them. He did want them to be baptised, but he did not want anyone to feel they were better than another because he had baptised them. Everyone was equal, no matter who baptised them.

3. WHAT FOOD DO NEWBORN BABIES EAT?

4. WHY CAN'T BABIES EAT THE SAME FOODS AS OLDER KIDS?

The more mature we become in our faith, the more we learn about God, the Bible, and how to serve God. We move on to harder lessons the more mature we become.

5. IF YOU WANT TO RAISE A GARDEN, WHAT IS MORE IMPORTANT; PLANTING OR WATERING? WHAT DOES GOD DO FOR THE GARDEN?
